The game has no quit button. I really wanted a quit button.. How do I get my money back? This game wont even load. Their are no rooms available and when I create a new room, nothing. Dont waste your money.. Tried playing it. Literally nobody else was

on, then I tried making a room and it completely wrecked my computer. Everything went non-responsive. Can't believe I paid for a game that doesn't even work.. How do I get my money back? This game wont even load. Their are no rooms available and when I create a new room, nothing. Dont waste your money.. Its a very fun game somtimes people are on sometime not I just wish more people would play this game and give it a chance. I would also like more content added..
